January 2022

Dear Parent/Carers

Firstly, we would like to say how proud we are of all the children, across both of the settings, at how well they have settled back since the beginning of the term. Many children have come back from the Christmas break with a newfound confidence, and all seem to be really enjoying the activities during their time at pre-school.

We would also like to acknowledge how much hard work and dedication all the staff at Chudleigh pre-school have shown in making sure the children are extremely well looked after, developing their skills and enjoying their learning tasks.

As a committee of the pre-school, we always welcome any feedback from parents/carers that you have about the settings and how your children are finding their time within the pre-school.

Due to Covid restrictions we appreciate that it is not always easy to talk to your child's key worker on a daily basis or see your children within the setting. If you ever have any questions or queries, please do not hesitate to contact the staff by emailing admin@chudleighpreschool.org.uk. You can also communicate with your child's key worker via the tapestry app. If you do not have access to this, please contact the pre-school.

We know that many parents are extremely happy with their child's development and how the pre-school staff are guiding their children into effective learning through play. We would welcome any reviews of your experience with Chudleigh pre-school. These reviews would be available on our website to assist any parents who are currently sourcing childcare. We would also like to invite you to place a google review on either of the two settings.

The links to the google reviews for both sites can be found below:

[Review link for Chudleigh pre school - Town hall](#)

[Review link for Chudleigh pre school - School site](#)

If you would be happy to write a review directly, we would encourage you to do so. It can be emailed to admin@chudleighpreschool.org.uk

Whilst writing we would like to remind you that the Co-op offer a fundraising option when you make purchases in the store and use a membership card. It is very simple to set up and every time you use your membership card a donation is made to your chosen charity; Chudleigh Pre-School is one of these options.

To access this, please follow the link below.

As always, your support of the pre-school is extremely important to us and greatly received. We would like to thank all the parents/carers for your ongoing cooperation during these difficult Covid times and also thank all of the staff for their constant and thorough dedication to the children's wellbeing, development and learning.

Kind regards
The Pre-School Committee
